

**Xe May Sandwich Shop:** Anyone with their pulse on the NYC bahn mi scene has probably stopped by this [St. Marks eatery](#) for a nifty twist on the classic Vietnamese sandwich. Of course their BBQ pork and headcheese bahn mi on hand was delicious, but it was their new offering, called the Hog Taco, that really impressed us. Sweet, buttery pork was nestled into a corn tortilla and paired with traditional crunchy, veggie bahn mi offerings like pickled carrots and daikons all topped with a generous squeeze of chili mayo. An extra squirt of sriracha made this melt in your mouth taco a true standout.
